

## **Regulations of Awards**

### **UCB – Ehrlich Award for Excellence in Medicinal Chemistry**

§ 1) The Award is established by UCB S.A., Pharma Sector, having its registered offices at 60, Allée de la Recherche, B-1070 Brussels, Belgium.

§ 2) The Award will acknowledge outstanding scientific research in the field of Medicinal Chemistry in its broadest sense.

§ 3) The Award will consist of a diploma, € 7.500, a lecture by the Award recipient, and travel expenses incidental to receiving the Award. Funding will be provided by UCB S.A., Pharma Sector.

§ 4) The Award shall be open to any Scientist whose work complies with the description given under §2 of these regulations, whose age does not exceed 50 years on January 1st of the year during which the Award is to be presented, and whose accomplishment has not yet been honoured by other EFMC awards.

§ 5) The Award will be given biennially, starting in 2002.

§ 6) The Executive Committee of the European Federation for Medicinal Chemistry (EFMC) is responsible for the final selection of the recipient upon proposal by the Award Nomination Committee.

§ 7) The Award Nomination Committee will consist of five members: the President of the EFMC, who will chair the Committee, and four additional members nominated by the EC after a proposal made by the EFMC President.

§ 8) A call for nominations will be published before October 1st of the year preceding the year in which the Award will be presented, in suitable scientific journals and by notifying key scientific institutions and societies. Nominations should consist of a letter proposing the candidate(s), a brief biographical sketch with a list of selected publications, and two supporting letters. Self-nominations are also accepted. The Award will be presented during the biennial meeting of the EFMC, i.e. at the International Symposium on Medicinal Chemistry, during which the recipient will be invited to give a presentation.

§ 9) UCB S.A, Pharma Sector is responsible for the correct execution of these regulations and will act to the best of its knowledge and ability to resolve cases for which these regulations do not provide exact guidance.
