Prof. Henri KAGAN (*University Paris-Sud 11, France*)

Dr Rodney KIP GUY (*St. Jude Children's Research Hospital, United States*)

Prof. Dawei MA (*Shanghai Institute of Organic Chemistry, China*)

Prof. Christina MOBERG (*KTH School of Chemical Science and Engineering, Sweden*)

Prof. Ei-ichi NEGISHI (*Purdue University, United States*)

Prof. K.C. NICOLAOU (*The Scripps Research Institute & University of California, United States*)

Dr Alessandro PADOVA (*Siena Biotech, Italy*)

Prof. Seung Bum PARK (*Seoul National University, South Korea*)

Prof. Ian PATERSON (*University of Cambridge, United Kingdom*)

Dr Sherrie L. PIETRANICO-COLE (*Roche, United States*)

Dr Pierre RABOISSON (*Tibotec, Belgium*)

Dr Jeff REAGAN (*Amgen, United States*)

Dr Jean-Paul RENAUD (*NovoAlis, France*)

Dr Juswinder SINGH (*Avila Therapeutics, United States*)

Prof. Scott SNYDER (*Columbia University, United States*)

Prof. Mikiko SODEOKA (*RIKEN (The Institute of Physical and Chemical Research), Japan*)

Dr David SWINNEY (*iRND3, United States*)

Prof. Nicolas WINSSINGER (*University of Strasbourg, France*)

Dr Jason WITHERINGTON (*GlaxoSmithKline R&D, United Kingdom*)

Dr Paul WYATT (*University of Dundee, United Kingdom*)

Prof. Jin-Quan YU (*The Scripps Research Institute, United States*)

International Organizing Committee

Chairs

Gerhard ECKER (*University of Vienna & EFMC, Austria*)

Gene VAISBERG (*ChemBridge Corporation, United States*)

Members

Sergey ALTSHEYN (*ChemBridge Corporation, United States*)

Edmond DIFFERDING (*Differding Consulting & EFMC, Belgium*)

International Scientific Committee

Magid ABOU-GHARBIA (*Temple University, United States*)

Mark D. ANDREWS (*Pfizer, United Kingdom*)

Scott A. BILLER (*Agios Pharmaceuticals, United States*)

Erick M. CARREIRA (*ETH Zürich, Switzerland*)

Christophe GENICOT (*UCB Pharma, Belgium*)

Steve V. LEY (*University of Cambridge, United Kingdom*)

Lieven MEERPOEL (*Janssen R&D, Belgium*)

Roberto PELLICCIARI (*University of Perugia & EFMC, Italy*)
